We Have Spent \$110,000.00 in 15 Weeks to Advertise Advertising

That we believe in the effectiveness of our own advertising service is evidenced by the fact that we have spent \$110,000.00 of our own money in the last 15 weeks behind our own copy and campaign to advertise our own business in this newspaper and hundreds of other good advertising mediums.

THIS is the last of a series of advertisements which we have placed in this newspaper and hundreds of other throughout the country for the combined.

\$20,000-a-year brains for the preparation of advertising campaigns than any other three agencies in the country combined. past few weeks.

We are paying \$5,000.00 to the newspapers for running this one advertisement of our own business that you are reading today.

We have spent \$70,000.00 this season in this and other daily papers to tell you of the Lord & Thomas Advertising Service. In addition we have spent \$40,000.00 in advertising our own business in national mediums of general circulation—a total of \$110,000.00.

Now mark this:-

Any permanent success in advertising must be built on an article or service of real merit.

The more merit there is in what one has to sell the more advertising it justifies and demands.

And because we give superior advertising service we can afford to advertise it liberally—to spend \$110,000.00 in 15

The very volume of our business (the largest of its kind in America) enables us to retain more \$5,000, \$10,000 and

If you have something to sell which is superior to other things in its line, WE want to talk to you about advertising.

If you believe in your goods as thoroughly as we believe in ours we will be glad, if you say so, to have some of our ablest men discuss your business problems

It is costing us \$110,000.00 to offer you our most judicious and enthusiastic cooperation in much more than adver-

Has our money been well invested with you? Has it influenced and convinced you to consider our service?

One of our representatives is in your city looking after the interests of some of our present clients every few days. That is why we are advertising in this newspaper-to you-NOW.

A letter, signifying that you will grant us an interview in your office, will not obligate you in any way.

We are issuing a series of small books (cloth bound) covering advertising in all its phases, which we send free to interested advertisers.

MITATIONS of GRAPE Tobacco which are not so sweet are trying to remedy this failure by extravagant advertising, hoping that this may make up for the loss of that sweet taste peculiar to GRAPE, and that no imitation can get. A representative of a "so-called" Sun-Cured manufacturer offered us some time ago \$25,000 for Grape formula. We answered that the secret was to use only the natural sweet old Virginia sun-cured leaf as filler; but, unfortunately for them, they are so located as to be unable to secure this leaf advantageously, so they are excluded from all chance to get that sweet taste of GRAPE which all con-

GRAPE has the Old Virginia Sun-Cured sweet taste and flavor, which tells the story why more GRAPE is sold than any other sun-cured brand i the world.
